M. C. Gutzwiller, *Watson Laboratory, New York City*
G. R. Holzman, *IBM Systems Development Division, Kingston, New York*
A. Kahn, *IBM Advanced Systems Development Division, San Jose, California*
T. R. Koehler, *IBM Research Laboratory, San Jose, California*
J. C. Logue, *IBM Systems Development Division, Poughkeepsie, New York*
C. W. MacGregor, *IBM Systems Development Division, Endicott, New York*
A. Malmros, *IBM Federal Systems Division, Owego, New York*
D. C. Ross, *IBM Federal Systems Division, Bethesda, Maryland*
A. J. Sanchirico, *IBM Advanced Systems Development Division, Harrison, New York*
E. Shapiro, *IBM Systems Development Division, Poughkeepsie, New York*
A. P. Speiser, *IBM Research Laboratory, Zurich, Switzerland*
E. R. Wyma, *IBM Office Products Division, Lexington, Kentucky*

List of Issues in Volume 8

Number 1, January 1964 1-84

Number 2, April 1964 85-212

Number 3, July 1964 213-365

Number 4, September 1964 365-480

Number 5, November 1964 481-568

Index to Abstracts of IBM Technical Papers Published in Other Journals

Abstracts of the papers listed in this index have been published in Volume 8 of the IBM Journal, pages 70-80, 194-207, 341-359, and 547-562. The papers abstracted were published in other journals approximately during the period June 1963 through July 1964.
